

2011 Music Resource Center Summer Programming

Rising 7th Grade – 12th Grade

Pro Audio and Recording Techniques: June 13-17, 2pm-330pm

This workshop will focus on audio engineering and recording and mixing techniques. Participants will learn the inner workings of a professional studio as well as how to build and customize a home studio for their own recording enjoyment.

Drums! Drums! Drums!: June 20-24, 230pm-4pm

This workshop will focus on everything drums. Participants of all skill levels will learn various drum techniques as well as drum kit maintenance skills. Be prepared to play hard and play a lot!

The Beat Club: June 27-July 1, 2pm-330pm

For students interested in producing hip-hop, r&b and pop music, this group is for you! Participants will learn how to produce beats and instrumentals using cutting-edge digital music software Reason 4.0. This course will include sampling, drum programming, synthesizers and sequencing.

Girls Luv Guitars: June 20-24, 4pm-530pm

This workshop will focus on young ladies interested in playing acoustic guitar. Participants of all skill levels will work with a female instructor in order to learn various guitar chords and song structure. This course is perfect for any young lady looking to start a new hobby or enhance her own skills. The MRC will provide guitars.

This Week In Music: July 11-15, 4pm-530pm

This workshop is a discussion group focused on issues, rumors, news and happening in the music industry. Students will discuss current events in the music industry and learn the history and cycles that helped influence and contribute to present day music and music trends. Participants are encouraged to come with open minds and their own topics of interest.

Dance With A Star July: 18-22, 4pm-530pm

If hip-hop dance is your thing then look no further. Spend a few hours learning contemporary dance routines with our in-house instructor. Work up a sweat and learn how to dance like the best of them. This workshop is open to dancers of all skill levels. Just bring your body and some comfortable shoes and we will do the rest!

For more information on these workshops or to sign up for a spot please call the Music Resource Center at 434.979.5478 or email us at musicresourcecenter@gmail.com. Spaces are limited so sign up ASAP! Visit www.musicresourcecenter.org for updates, changes or cancellations.
